

Year 11 – Child Development

Power Words

Using the textbook, create yourselves a "Child Development Dictionary" with all the keywords needed for the exam. You can then test yourself on the definitions.

Google Classroom Tasks

Using Google Classroom, look at what the group has been doing in school. Make notes on what you have missed and work through the activities.

Past Exam Papers

Go onto Google Classroom to find the past papers for the exam and have a go! There are also mark schemes for you to look at how you've done.

Mindmaps

Using the textbook for the exam unit, create detailed mind maps on areas of the specification that you find the most challenging.

Flashcards

Using the textbook for the exam unit, create flashcards to help test yourself on topics that you have found most challenging. You can even get your family to test you!

Bumper Revision Book

On Google Drive, you will find this booklet that covers LO1 - LO5 for RO18 Exam. Attempt the questions from the LO we are currently working through.

Coursework

Your priority is COURSEWORK. Are there any improvements you could make? Is there anything missing that you could add?

Documentaries

Access a list of suitable documentaries and video clips that will help you understand different topics and give you a deeper understanding.

Wider Reading

Access a list of suitable books and articles that will help you understand different topics and give you a deeper understanding.
