

THE TWO COUNTIES TRUST ADMISSIONS POLICY: PART 2 WILSTHORPE SCHOOL 2021-22

Date of issue: 01/02/2021

Note: This section of the Admissions Policy explains how The Two Counties Trust Admissions policy applies in Wilsthorpe School, including how admissions are prioritised.

1. Introduction to the school

Everyone at Wilsthorpe School shares a deep belief in young people and a desire to ensure that every child achieves their best. Our belief is that learning should be an inspirational journey, where all are challenged to achieve great things and to lead others, in a climate of dignity and respect. Leadership and management was judged to be outstanding at the last inspection (November 2016) and overall the school was judged to be good.

In 2017 Wilsthorpe was successful in securing a University place for a Year 13 leaver at Massachusetts Institute of Technology, one of the world's best universities. In 2018, two Year 13 leavers secured Oxbridge places, one at Oxford and one at Cambridge.

Extra-curricular provision at this safe and caring school is rich. Comprehensive programmes involve substantial learning outside the classroom, in particular activities and clubs help to develop autonomy and leadership in sporting, artistic, theatrical, technical, creative and cultural opportunities.

2. Planned Admission Number

The planned Admission Number (PAN) for entry into 2021/22 in this school is: 210

3. Criteria for prioritising admissions in Wilsthorpe School

The following criteria, in the order listed, will be used to allocate places if there are more applications than places available:

- Looked After Children and all previously Looked After Children, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- Children living in the normal area (see note one) served by the school at the time of application and admission who have brothers or sisters (see note two) attending the school at the time of application and admission.
- Children living in the normal area (see note one) served by the school at the time of application and admission.
- Children not living in the normal area (see note one) served by the school but who have brothers or sisters (see note two) attending the school at the time of application and admission.
- Other children whose parents have requested a place.

Children with Education, Health and Care Plans (EHCP) have a different admission process. If a child has an EHCP or parents are in the assessment process, it is important to have a discussion with the Headteacher about what to do next. There is more information in Part 1 of this policy.

In the event of that there are more applications than places available, Wilsthorpe School may need to ask for proof of the following when applying the criteria for prioritising admissions:

- Address
- Child's date of birth
- Copy of an adoption order, residence order or special guardianship order and a letter from the
- Local Authority that last looked after the child confirming that (s) he was looked after immediately prior to that order being made.

4. Significant Change of Circumstances

If a change of circumstances takes place after the closing date for applications but before all places have been allocated, then the change of circumstances will be taken into account within the allocation process.

If a change of circumstances takes place after all places at the school have been allocated the application will be added to the waiting list in a position which reflects the published priority criteria.

5. Appeals

Parents who have been refused a place at the academy have the right to appeal this decision to an independent panel. Parents wishing to appeal should complete the appeal form, which can be found on academy's website.

<https://www.wilsthorpe.ttct.co.uk/information/admissions/>

Appeals will be held in line with the DfE's School Admission Appeals Code (February 2012).

6. Post 16

Wilsthorpe Sixth Form is committed to recruiting with integrity and employs entry requirements during the application process to ensure students are guided towards programmes of study that provide the very best chances of success. Information, advice and guidance is provided at all stages of the application process and takes into account a range of factors including predicted grades, actual grades and school reports and trackers. The Sixth Form reserves the right to refuse admission to a course in some cases, even where the entry requirements are met. This is in the interest of student success.

6.1 16-19 Study Programme Requirements

All of our Post 16 pathways are designed to provide structure and a challenging personalised learning programme. Every student in Years 12 and 13 will study academic or vocational qualifications that are linked to their future plans. Students who embark on a study programme who do not yet have a grade 4 or higher in Mathematics or English will be required to work towards the achievement of these qualifications as part of their programme.

The pathways that students follow maximise progression opportunities onto the next stage of education, employment or apprenticeship.

There are two pathways available in Key Stage 5: Academic or Vocational

- AS Levels and A Levels
- Level 3 Vocational

Planned Learning hours

In order to maintain funding from the EFA all students must follow a full time programme of study. This will require each student to enrol onto three qualifications and students who have not achieved a grade 4 in GCSE English or Mathematics to enrol onto GCSE resist courses.

Students programmes will also contain a bespoke sixth form PSHCE schedule which allows students to access a range of talks, presentations, workshops and enrichments opportunities which help guide them through Sixth Form life and prepare for life beyond. All students are therefore required to attend tutor time and the start of each day.

There must be no outstanding disciplinary concerns known to the Progress Manager. Where a written warning has been given to a student about conduct and a contract has been agreed, a student must have met any conditions specified in the warning.

Failure to meet any of the standards identified above would require students to continue their studies elsewhere.

A Looked After Child is a child who is (a) in the care of a Local Authority, or (b) being provided with accommodation by a Local Authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school;

Previously Looked After Children are children who were looked after but ceased to be so because they were adopted, (or became subject to a child arrangement order or special guardianship order). Children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after and those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted

[*State Care - a child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.] (i.e. charity group that benefits society) but does not include private fostering whether in England or from outside of England.

7.2 Parent

Section 576 of the Education Act 1996 defines 'parent' to include; all natural parents, whether they are married or not; and any person who, although not a natural parent, has parental responsibility for a child or young person; and any person who, although not a natural parent, has care of a child or a young person. Having parental responsibility means assuming all the rights, duties, powers, responsibilities and authority that a parent of a child has by law.
