

# COVID testing schedule: January 2022

## All students

- The government has asked all schools to enable every child to be offered a Lateral Flow Test, prior to the start of the new term.
- If students have had a test at our test centre before (most recently in September 2021), parents do not need to complete a consent form. If you have not had a test at our test centre please use the link to give permission: <https://forms.gle/WBdAZRcSsDJxzDqi9>
- Students, whose parents have provided consent for testing, should attend the Sports Hall during the appointment windows indicated below.
- Students with siblings are asked to stick to their year group time slot and not to attend together.
- All students are asked to wear a face covering when they arrive for their test, unless they have an exemption.
- Work for students on Monday 10 January will be available through Google Classroom.

## Students in Years 8, 9, 10, 11 and 13

- Students in Years 8, 9, 10, 11 and 13 will return home after their test and will be informed by telephone if they test positive, as soon as possible that same day.
- Students in these year groups may be asked to queue outside and so should come appropriately dressed for outdoor weather.
- There is no need for students in Years 8-11 to wear school uniform when attending for testing, as they will return home immediately afterwards.

## Students in Year 7 and 12

- After they have completed their tests, students in Years 7 and 12 will wait in a socially distanced setting, until the results of their tests are confirmed. They will then be allowed into classrooms and will start lessons at the allocated time.
- Students in Year 7 should wear their school uniform when they arrive for testing.
