

11 February 2022

Dear Parent/Carer,

I am delighted to share with you the second edition of our parent e-newsletter, *The Wilsthorpe Way*.

This termly publication is designed to share with families the highlights of the past few weeks and to offer helpful advice and information, to enable you to effectively support your child's education. It always includes information about our two guiding principles at Wilsthorpe – our commitment to educational excellence for your children (what we refer to in school as 'Excellence in Learning'), alongside the very best pastoral care and personal development ('Relationships First'), as well as practical information, such as key dates, school menus and opportunities for students.

You can access *The Wilsthorpe Way* by clicking on this link:

Thank you again for your support as families over the past few weeks, whether simply by taking an interest in your children's learning, or by helping them organise themselves, manage their time or look smart, or by simply saying 'well done' or occasionally 'you need to do better'. Your engagement and support makes all the difference and helps to give our young people the certainty and consistency that they need.

Have a good half term break when it arrives on Friday 18th February and please remember that the new term begins on Monday 28th February at 8.30am.

With kind regards,

Mr D Hobbs
Headteacher
