

18 March 2022

Dear parent / carer,

Well done to our Year 11 students who have successfully completed their mock exams this week. Students in Years 12 and 13 are sitting their final set of mock exams next week. All year groups will sit end-of-year exams. More information will follow about this after Easter but, for those who wish to get a head-start in their revision, information to support is available here: <https://www.wilsthorpe.ttct.co.uk/curriculum/revision/>

Our Year 10 parents' evening is on Tuesday 29 March (information has already been sent out about this important event). Year 9 students are currently making decisions about their GCSE options, with the deadline for responses falling just after the Easter break.

Students in Year 7 have previously finished 5 minutes before the rest of the school, at 2.45pm, in order to support their transition from primary school. From this Monday (21 March) they will finish at 2.50pm, in common with other year groups.

Although the worst of the COVID pandemic seems to be behind us, we know that infection rates are on the rise again and we continue to face challenges with both staff and student absence. I have enclosed a leaflet containing important information about the importance of regular school attendance, particularly as we learn to live with COVID, so please do take time to read this carefully.

Finally, please look for our third edition of the termly 'Wilsthorpe Way' newsletter, which will be distributed in the week before the Easter break.

With kind regards,

Mr D Hobbs
Headteacher
